

SURFACE MULTI-PURPOSE DISINFECTING WIPES

Get everything you need without making trade-offs. Brought to you from the brand you and your customers trust most.

Total confidence. Zero compromise.

TRUSTED FOR DISINFECTION

Quickly kill 99.9% of germs, including antibiotic-resistant organisms with powerful virucidal, germicidal, fungicidal, and tuberculocidal performance.

TRUSTED FOR COMPATIBILITY

Wipes are broadly compatible and safe on most surfaces, including electronic screens, glass, vinyl, stainless steel, plastics, and more.

TRUSTED FOR WELLNESS

Upgrade to a gentler way and disinfect with a plant-derived active ingredient, no PPE requirements, and the EPA's lowest toxicity rating.
