

Self-Adjusting Centerpull Towel Dispenser

Product Overview

The TD0255 Self-Adjusting Center Pull Towel Dispenser has a patented dispensing aperture that self-adjusts, preventing wear. It provides reliable, single sheet dispensing from the widest range of towels. It holds most universal center pull towels.

Product Features:

- Heavy duty double latch lock helps prevent theft
- Permanent key knob option (Part #SP01010-00)
- Reliable single-sheet dispensing to reduce waste
- Patented self-adjusting aperture
- Durable, impact resistant plastic cover
