

Mr. Clean® Toilet Bowl Cleaner/ Restroom Disinfectant

Formula Features:

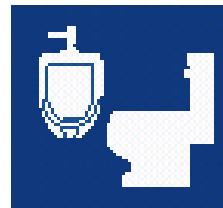

- o Designed for Daily Use
- o Detergent Thickened & Clinging
- o Color Indicated to Show Presence in Bowl

Highly effective mild acid formula helps keep toilet bowls and urinals free of hard water build-up, while disinfecting “under the rim” and on all contact surfaces.

- Helps extend time between needed harsh strong-acid bowl treatments.
- **Medical environment disinfectant** that kills a broad spectrum of germs, including HIV, Salmonella, Staphylococcus, Pseudomonas, and odor-causing bacteria -- Proteus Mirabilis and E. Coli
- Bottle design allows easy application under the rim, while thick formulation clings to surfaces, reducing the need for manual scrubbing
- **EPA Registration No. 3573-53.**

Application:

- o Recommended for regular maintenance of the interior of toilet bowls and urinals.
